### Bargaining starts up again

As your newly elected Negotiating Committee, we have been meeting in order to ready ourselves for the upcoming round of bargaining. Although we have only recently signed off on the last round of bargaining, and the 2010 – 2012 Collective Agreement is still being printed, our current Collective Agreement expires on March 31, 2012.

### We want to hear from you

Your input is very important to us, especially as we start the information gathering process in order to put together our package of demands. There will be newsletters, drop-ins and other important meetings concerning negotiations in the near future. We hope that you will be there to inform us, support us and help to make the right decisions to protect and improve our working conditions.

### You've Got Mail

The Negotiating Committee would like your feedback on how best to communicate with you.

In an effort to broaden our methods of communication and reach as many members as possible, we would like to incorporate more technology into our member communication.

To this end, we would like to hear your preference regarding hard copy versus electronic /online for our member survey which helps to form the basis of developing our issues for the next round.

Due to privacy issues and our desire to communicate with you, please provide a **non-work email address** so we can contact you independently from work.

***Please reply to [info@vccfa.ca](mailto:info@vccfa.ca) and let us know your preference: hard copy or electronic survey.***
